Provide some information on how this event is primarily an intercampus event: (Feel free to use more than the space provided to explain)

We are requesting an allocation to sponsor 3 intercampus student athletes (1 GSAS, 2 Law) to attend USA Triathlon Collegiate Nationals. Our governing board (CSGB) does not provide funding for graduate students to attend nationals races, mandating our request to IGB.

See <https://goo.gl/zUsfW2> for a cost breakdown.

In addition to this form, please fill out the Co-Sponsorship Allocation excel spreadsheet. This must be completed to be considered for co-sponsorship. Once completed, please email both this form and the excel spreadsheet to igb@columbia.edu. Your request will be given a decision within thirty (30) days of submission.

The requesting club's advisor must sign stating that they will abide by and refer to the IGB Constitution for the proper spending of funds. The signature below also acknowledges that a required post-event report must be submitted to IGB to summarize the number of students and their respective schools in attendance and the final spending summary.
