April 9, 2017

Dear Columbia Student Association,

I am the current holder of the Sheng Yen Chair in Chinese Buddhism at Columbia University. I have worked with Mingliang QIN and his team for a Buddhist academic interview covered by the influential Chinese media ifeng. As Mingliang and his team are planning to organize a new club called Woodenfish Columbia to serve more of such kind of events, I would like to give it my full support. Thank you for your consideration!

Sincerely yours

Zhaohua Yang, Ph.D.
